

## 9, The Global citizen Assembly

The Global citizen Assembly is a students meeting in which we think about what kind of person is the global citizen which our school aims at, and.

From the opinions of all the schools...

: I' d like to do volunteer activities.

: I want to work help others.

Such opinion are expressed.

In the next meeting we want to think about the global natural environment, too.

We would like to consider the international cooperation such as.

Sending goods to developing countries.
